

## QUARTERLY IMPACT REPORT

OCTOBER, 2024

Data in this report reflects July-Sept, 2024

## A LETTER TO OUR SUPPORTERS

Welcome to our first quarterly impact report for July through September 2024. Your support fuels our mission, and we're excited to share a glimpse of what we've accomplished together during this period.

As you can see from the chart on the right, our funding comes from a variety of sources. This breakdown illustrates the diverse support we receive from our community, government partners, and through our events.

This multifaceted funding approach, including community support, is crucial to our success. It allows us to maintain stability and flexibility in our programs, ensuring we can continue to advocate for children and families in need.

As we approach the final months of 2024, we're setting our sights on Colorado Gives Day on December 10th. This annual day of giving is an opportunity for us to secure the resources needed to start the new year strong.

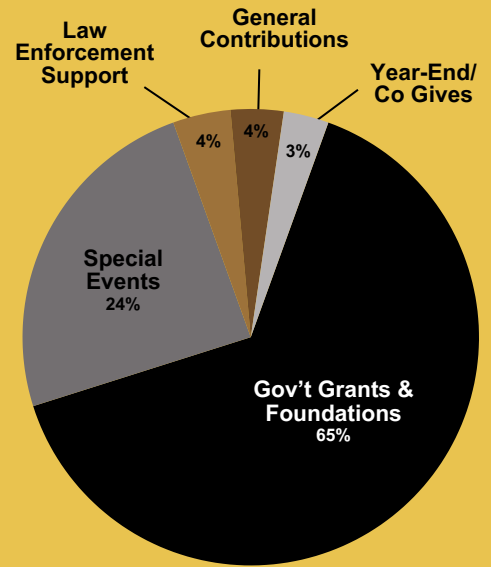

While we're proud of our impact, the need for our services continues to grow. As we close out the year, we invite you to help us meet our goal of \$35,000. Your contribution, no matter the size, is crucial to our ability to provide essential services and support to abused and neglected children in our community.

Thank you for being a part of the Life Stories family and for reviewing our report - you can count on seeing them quarterly as we head into the new year. Together, we can continue to make a lasting difference in the lives of those we serve, helping them turn the page for a better tomorrow.

With appreciation,  
**LISA DRAKE**  
 Executive Director
